

POWER OF ATTORNEY WITH RESPECT TO PRISMA

POWER OF ATTORNEY WITH RESPECT TO PRISMA

A successful registration of the Shipper on PRISMA and approval of the Shipper by Energinet are requirements for the use of PRISMA.

Furthermore, the Shipper shall accept Rules for Gas Transport and conclude a Shipper Framework Agreement with Energinet. The Shipper shall ensure that anyone representing it is complying with all rights and duties arising from the Rules for Gas Transport and Shipper Framework Agreement applicable at any time.

This power of attorney is valid for the following Shipper (hereinafter called "Shipper"):

Name of company:
Address:
Postal code and city:
CVR no.:
GLN:
EIC code:

Primary market:

The Shipper authorizes the following (hereinafter called "User") in relation to the primary market:

Full name of authorized person:	
Email address:	
Phone number:	

Full name of authorized person:	
Email address:	
Phone number:	

Full name of authorized person:

Phone number:	

to use all functions of the PRISMA platform on behalf of the Shipper to conclude capacity agreements with Energinet To this end, the User is authorized to carry out all actions and leave all declarations of intent and accept that are useful for the completion of capacity agreements.

Secondary market:

Moreover, with its secondary functionality, the Shipper can use the PRISMA platform to trade Capacity (capacity transfers) in the Transmission System on the secondary market. This option is restricted to Capacity marketed on the primary market of the PRISMA platform initially. In order to trade on the secondary market, the Shipper shall declare that:

to this end, the Shipper (and all its users) is authorized to carry out all actions and leave all declarations of intent and accept that are useful for the completion of bilateral trades of Capacity (capacity transfers) in the Transmission System.
